

How You Can Overcome the World in This Last-Days Darkness

The Spirit of the Lord would say to you; “Now is the time to focus on Me and My Word. Zero in on the heartbeat of the Father—the lost. There is a lost and dying world that is getting more perverse as the day of My return draws closer.

“The enemy is well aware that his time is short, and he is going after my greatest creation—the human race—with a vengeance.

“The darkness is quickly becoming darker. Evil is being widely accepted and celebrated, and those who have yielded themselves to that serpent of old are being positioned into high and vile roles in society.

“The things you have been accustomed to will be no more. There is a rumbling in the underground that is causing a great shaking of the earth. And yet, I require you to stand your ground, and take up your supernatural weapons of faith, and activate the fruits of the Spirit. With these weapons you will overcome. I overcame evil with good, hatred with love, despair with joy, and anger with forgiveness and so will you.

“I need you to press with all your might into the realm of righteousness, and take a godly stand against the evil all around you. Be a light that dares to shine in the darkness. Be not afraid of the world, for greater is My Spirit within your spirit than Satan who is in the world.

“I have told you over and over again in My Word, be not afraid, be not dismayed, for I will never leave you, and I will never forsake you. My promise in this is tried and true, and I will forever remain faithful to you.

“I have never asked you to go this route alone, but to align yourself with My Spirit, and the ways of Holy Spirit. You cannot accomplish what I am requiring of you in these last days in the power of your own might, but all is possible in the power of His Spirit.

“And I am calling you to enter into the secret place with Me and worship Me in Spirit and in truth, where inner hurts are healed, the chains of bondage are broken, and physical healings manifest. All that you have need of is found under the protection of the shadow of the Almighty.

“I love you with an everlasting love. My love is not of this earth; it is unconditional and never- ending. I love you, and even if you do not love Me, I still love you.

“Listen to Me and be wise. Do as I instruct you to do. Be about My heavenly Father’s business and tell them My plan of salvation, and show them My love. Thus I have spoken to you this day.” {eo}
