

How You Can Reject the Spirit of Rejection

Rejection is one of the major ways the enemy undermines a person's self-worth, self-esteem, self-image, purpose and potential. Rejection violates the very character and heart of a person and works to keep them in a place of constant anxiety, fear and instability.

Rejection wants to make you feel like you don't fit in, but you were never made to fit in. You were made to stand out!

"You are the light of the world. A city that is set on a hill cannot be hidden" (Matt 5:14).

"Let your light so shine before men that they may see your good works and glorify your Father who is in heaven" (Matt 5:16).

Most people who deal with rejection filter all their responses through the emotions of this ruthless personality.

In our podcast, we will be sharing stories of people set free from this spirit. We will also discuss the doors this spirit accesses to affect our lives. Plus, we will pray prayers of deliverance.
