

How You Can Shift Atmospheres Through Laughter and Intimacy With Jesus

Laughter Shifts Atmospheres With Michael Jr.

Comedic thought leader Michael Jr. likes to help people through laughter. Laughter breaks depression and shifts the atmosphere, bringing God's joy. Laughing 20 minutes a day is good for your health and helps you remember God's purpose in your life.

Michael Jr. grew up with the gift of comedy but was not the class clown. "I was careful to only tell a funny joke that made the teacher laugh. If the teacher was laughing, I wouldn't get sent to the principals office. When I met Jesus, I no longer tried to get laughs from people; I shifted to 'What can I give to others?'" Laughter is a gift that can reveal hidden truth. "I find myself listening to God in between jokes to discern, 'How can I give?'" God wants to heal His house, and sometimes he uses laughter to turn over tables.
