

Igniting a Final Great Awakening: 77 Days to Take Back America

As we have reached the closing day of our “40 Days to Save America” campaign, a journey of prayer, fasting and repentance, we also find ourselves at the conclusion of the most pivotal election season in American history and the next phase: “77 Days to Take Back America: Igniting a Final Great Awakening.”

This campaign is more than a countdown to the presidential Inauguration on Jan. 20, 2025; it’s a call to action for believers across the U.S. to seek God’s will and to reignite a spirit of unity, revival and restoration in our nation.

Amid the anticipated unrest, chaos and legal battles, let’s join together in continuing to pray, fast and repent, asking God to not only save America but also to ignite a great revival. We must also pray for the protection of President Donald Trump and Vice President Kamala Harris.

The 77 days between Election Day and Inauguration Day represent a crucial period in our nation’s history. As I noted in my new book “The Trump Code,” in Scripture, the number 7 signifies completeness, divine purpose and covenant. By dedicating these “77 Days to Take Back America,” we commit ourselves to a season of double completeness, embracing each day with intentional prayer, fasting and repentance while seeking to align America with God’s vision and purpose for our country.

This period is a unique opportunity to place our trust in God and act with bold faith, inviting believers from throughout the nation and world to join in this journey of divine intercession.

A Call to the Church: Prayer and Action

On Sunday's episode of "Sunday Night Live," I joined my co-author of "Revelation 911," Pastor Paul Begley, along with "The Return" co-founder Rev. Kevin Jessip, Paul McGuire, Dr. Larry Keefauver and "Mike from Around the World" to discuss the role of faith in this critical election. These faith leaders, united by a commitment to revival, shared a call to action for the church to rise, vote and engage as a force for revival across America. Begley emphasized that this movement transcends politics; it is about rekindling America's Judeo-Christian foundations, standing strong as a light in a dark world.
