

In This New Year, God Wants Us to Take Action

If you asked any believer if they want to reach their God-given destiny, I'm sure they would each say yes! However, I've seen many people sit idle while "waiting for God" to drop something into their lap. God's able to do anything. There is nothing that is impossible for God. However, God wants for each of us to take action and co-labor with Him to see His will for our lives accomplished and His kingdom advanced.

If God's design was to do everything on His own, without our participation, then He wouldn't have created us. God's purpose for every person is to partner with Him to see heaven come to earth.

The dreams and prophetic words God gives to each of us are not automatic. We must steward the prophecies He has given us and partner with Him to see them manifested. There is always a process that will lead to the promise. That process will always require action.

We are not waiting on God; God is waiting on us! God can do anything, but He will not do everything. To reach the fullness of our purpose and destiny, we must depend on God, but we also must move and act. God is looking for those who want to step out in faith and put in the work.
