

Influencer Reveals to Pastor Secrets From a Diddy Party

Nik Keswani, known on social media to viewers as “Big Nik,” became a Christian a few years ago, and ever since then he has been on fire for the Lord. He’s made it his goal to use his platform to share the gospel with the world around him. Now, he’s sharing his story of having attended a Sean “Diddy” Combs party prior to his salvation in Christ.

Speaking with Apostle Richard Lorenzo Jr., Keswani detailed his experience of having gone to a “Diddy party.”

“Diddy has multiple different parties,” Keswani says. “The party that I went to there was a separation. There’s an upstairs and there’s a downstairs. The upstairs is guarded by security guards.”

Keswani says that there were three stories to the building, and the party he attended was one of the typical Hollywood parties. However, he says that these lighthearted parties are used as part of a grooming process to get people to eventually go to the darker, more sinister ones. There, he saw Hollywood A-listers like Snoop Dogg.

Rumors of Combs having sexual relations with men at his parties continued to circulate and appeared to seem plausible during this time. Keswani says a lot of this is due to the widespread issue of homosexuality in the Los Angeles area.

These acts, Keswani points out, open the door for horrific things to attack the victim, allowing society to decline even further into sin.

“This is why Sodom and Gomorrah got burned down because it was the homosexuality,” Keswani says. “That was the gateway into pedophilia, which is the same thing we’re seeing ‘re embracing ancient, demonic spirits from Sodom and Gomorrah.”

Lorenzo warns viewers that the depth of the perversion trying to take over the world is real, and Satan wants to take down anyone he can.

“There’s a war going on,” Lorenzo says. “It’s about light versus darkness. Not about red versus blue, not about Latino versus white, or black versus white; it’s about light versus darkness.”

During this time, we need to continue to pray for the truth to come out, that light would shine in the darkness in this situation revolving around Sean “Diddy” Combs and his Hollywood parties.
