

Irvin Baxter: The Events in Revelation Are Not In Order

End-times expert Irvin Baxter says the events detailed by John in the book of Revelation are not necessarily in chronological order.

To verify his theory, Baxter cites Matt. 24:29-31, Rev. 20:4-6 and Matt. 13:24-30.

“One event that may help people out, Pastor Jim, is there are four counts of the Second Coming in the book of Revelation,” Baxter tells Jim Bakker.
