

# Irvin Baxter: Where the False Prophets and Antichrist Will Arise

Irvin Baxter points to the book of Daniel to describe when the Antichrist and false prophets will arise.

“In Daniel chapter 7, verse seven and eight, the last beast is a 10-horned beast,” Baxter says. The Bible says those 10 horns represent 10 kings that will be in an alliance together.

“And then the Scripture says that after this, one horn comes up among the 10 and uproots three, one king comes up and uproots three.”

Baxter says this reveals a key fact about where the kings will arise. Watch the video to see more.
