

Is David Wilkerson Speaking From Beyond the Grave?

The late David Wilkerson's words are coming to pass right now.

In his book *Set the Trumpet to Thy Mouth* Wilkerson wrote about an economic nightmare:

"America is about to face a time of mass hysteria, as banks close and financial institutions crumble and our economy spins totally out of control," Wilkerson wrote.

"... Scoff if you choose, but the underlying fears about a collapse will soon become a tragic reality."
