

Is God About to Remove Prophetic Watchmen From America's Walls?

It started with a supernatural vision in India in the early 2000s.

Now, the prophetic implications have reached America. Why India? Perhaps few in the States were willing to listen.

"We have turned our back on God, plain and simple. That's what we've done," *TruNews* Rick Wiles tells Jim Bakker.

The commentator says that the barbarians have now entered the city, and God is removing His watchmen. Watch the video to see more.
