

Is God the Father the Only Most-High in the Trinity?

Ex New-Age expert Steven Bancarz went toe-to-toe with fellow YouTuber Chris LaSala in a debate about the Trinity.

LaSala is a deliverance minister who recently challenged Dr. James White to a debate about the Trinity.

“I’m not James White, but I accepted the offer in the comments section,” Bancarz says.

“I’m defending the position of the Trinity, and he is saying that only the Father is the most-high God. Jesus was made God over us, but there’s only one most-high God,” Bancarz says.

The debate lasted nearly six hours, but Bancarz cut it down.
