

WATCH: Is Pope Francis the Last Pope Before Christ's Return?

Author Tom Horn says the Catholic Church is trying to bring about the end times by following certain prophecies regarding the pope.

More than 50 years ago, a Jesuit priest predicted the resignation of Pope Benedict—to the day—and now Horn and others are looking at his research.

“Was he divinely inspired? Was he demonically inspired?” Horn asks. “Because we know demons know things about times and dispensations, too.”

Horn's taking a closer look, as should you. Watch the video and sound off on if you think Pope Francis is the last pope.
