

Is the First Horseman of the Apocalypse Riding Now?

One of the four horsemen of the apocalypse is riding now, Jim Bakker says.

As detailed in Revelation 6, the rider of the white horse had a bow, and a crown was given to him as he conquered and overcame.

“Who is this man on the white horse? I believe with all my heart he is the Antichrist,” Bakker says. “And I believe that the spirit of Antichrist has taken over not just America, but the world.”

From the Sept. 11, 2001, attacks to the San Bernardino shooting, Bakker believes the spirit is behind the destruction.

“They want you dead,” Bakker says. “I’ll prophesy it, you’re going to start seeing them try to get to our leaders.”
