

Is This Friday's "Day of Silence" Harmless or Harmful for Your Children?

"Students, listen up. Just days ago, Chicago, the third-largest American city, elected its first lesbian, socialist, same-sex partnered, black female mayor, Lori Lightfoot! In her acceptance speech, she said, 'I think about the children ... boys and girls seeing leaders who look like them.' And the mayor of South Bend, Indiana, Pete Buttigieg, is also gay and 'married' to his homosexual partner and preparing to declare his candidacy for president of the United States! Let's give it up for LGBTQ advances today!"
