"I was in the state of California, I was ministering, I was waiting on the presence of the Lord in my hotel room [and] I was caught up into a vision," Shamp said.

In this vision, he saw a woman whom he had never seen before. The woman fit the description of Kamala Harris, to which Shamp then says God revealed to him who the woman was and how she was going to be used in the days still to come.

"I saw a woman; I did not know who she was. I said, 'who Lord, who is this?' He said, 'This is Kamala Harris. In the coming days she will be used by the left as a pawn to try to Trump president Trump. That she will be used as one that is a pawn to try to take him out,'" Shamp said.

In a longer description of the prophecy, it was pointed out to Shamp that Harris was a star rising up from the West and who had been hand-picked by others in power.

One of the key points Shamp says that the Lord gave him was for people to pray for Harris. If the body of Christ were to

pray for Harris to turn toward the Lord, God would have mercy on her and open her eyes to the true plans and purposes He created her for.

“The Lord spoke to me and said, ‘If we begin to pray that the Lord would have mercy on her, and that her true destiny would be revealed...she would turn to the Lord,’” Shamp said. “But we need to pray.”

During this time, Christians should pray for all our leaders, and for the Lord to raise up those in power that He desires to see in office. We must use discernment in all our ways as we seek the Lord for His good and perfect will to be done not only in our lives, but in the lives of all those around us.
