

Is This The Most Important Prophetic Time in History?

The Jubilee.

According to the Jewish calendar, we're in the seventh Shemitah year. Historically, it's the year of getting back items that were once lost.

"Here is this massive restoration," Cahn tells Jim Bakker. "... The seven Shemitahs, the 49th (year) ushers in this period of restoration."

The best-selling author then asks what he calls the big question: Could Israel be part of this?
