

Is Your City Possessed?

Have you ever wondered what a transformed community would look like? What if all demonic activity vanished from your city? It would be amazing, wouldn't it? You would have peace in the streets; a spirit of unity; people would prosper; crime would be gone.

When Jesus told the disciples to cast out demons in His name, this included communities as well as people. What are the demons that inhabit cities? Deep-rooted, cultural sin and oppression. Learned sinful behaviors passed down from generation to generation will result in deep-rooted, cultural sin. Often, demonic possession will take place. The evidence of oppression is high-crime rates, drug-dealers, corruption, systemic poverty and more.

What are we to do about it? Walk out Jesus' instruction in the Great Commission. "Go into all the world ..." (see Mark 16:15-17, Matt 28:18-20). In other words, go into your community! Gather with like-minded believers in your city. Pray together. Push back darkness. Strategize on how to become a solution to systemic issues. Begin to occupy the land the enemy has ruled.
