

Jenny Weaver Reveals Massive Ministry Announcement

Jenny Weaver gave the biggest update about her Core Group ministry to-date.

“We actually got a church,” Weaver says in her announcement video with her husband, Stephen Weaver.

“We have been given land and a building. Not just one building, but there are six buildings on about 15 acres of land,” Weaver says.

The property is situated on a 101-acre lake and is right off of the I-4 Interstate moments away from downtown Tampa, Florida.

“We believe that God saved the best for last,” Weaver says. “God literally did the Ephesians 3:20 exceedingly, abundantly, above all that we could ask or think.”

Part of the property includes a two-story building and five apartments as well. The property also has a children’s room, plenty of meeting rooms and a sanctuary. A building is also being set aside for teens involved in the ministry, along with old dorm rooms which Weaver suggests may be used for transitional housing.

“We are just so excited to see the glory of God spread out from Tampa into the nations from this Core Revival Center,” Weaver says.

The Weavers expressed their immense gratitude as they’ve seen the hand of God guide them through this journey of finding the perfect spot for their ministry to grow and expand.

“So many times we had delay. We didn’t know what we were going to do. There were times I looked at Stephen and I was like, ‘Stephen, are we going to even get the building?’ My faith was being shaken,” Weaver says.

By seeing God provide them with a miracle, Weaver says her and her husband’s faith has been strengthened as the Core Group now prepares for the next phase of revival.

“We cannot wait for all the Core families to be able to come tour the facilities, tour the property, see what the Lord has done and experience the presence of God like never before,” Weaver says.

This major announcement comes amid Weaver’s successful “summer of baptisms” that the Lord placed on her heart to go after this year.

“I believe that it is the Lord getting His church ready,” Weaver says in an interview with Charisma Media. “I believe He’s getting us prepared and ready because He’s coming soon.”

At a time when we see church attendance declining and people openly rejecting all notions of faith, true movements of the Holy Spirit are attracting instead of repelling people away from the church pews.

Recently, ministries like Mario Murillo Ministries and Pastor Greg Locke’s Global Vision Bible Church have made similar announcements of ministry expansion because of the hunger they see inside of people for the Holy Spirit.

Locke's plan to build a new church building after four years of meeting in a tent comes with aspirations and dreams from the Holy Spirit to also launch a new ministry school.

"We've got people to reach, we've got a Global Vision School of Ministry to launch this fall. We've got to have a place to house the habitation of the truth of God," Locke says.

This is the moment that the Lord wants to reveal Himself in mighty ways. The ministries that will continue to ignite the flames of the Holy Spirit instead of quenching Him are the ones that the Lord will use more and more of during our modern day and age.
