

Jezebel's Evil Spirit Was Evident This Year, but Faithful Americans Will Fight Back in 2020

Will 2020 bring a stronger spirit of hope and godliness from devoted Christians to fight back against the evil spirit of Jezebel?

It's not only possible, it's happening, says national radio host and popular columnist Dr. Michael Brown, author of the successful and powerful 2019 book, *Jezebel's War with America: The Plot to Destroy Our Country and What We Can Do to Turn the Tide*.

Released this past summer, *Jezebel's War with America* details how Jezebel's spirit is attacking life, leadership and faith. Her work has been evident in 2019, Brown said, through terrible headlines surrounding baby-killing, a militant LGBTQ agenda, a politically divided country, a fearful church and much more.

Brown's book also focuses on the fact that Jezebel's spirit is at work through radical feminism, the extreme pro-abortion movement, a fascination with witchcraft and sorcery, and the emasculation of men—along with other spiritual and cultural forces, in an attempt to destroy America. Brown's eye-opening book not only unveils a satanic plot, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation.

The key to fighting Jezebel's evil advances, Brown says, is for believers to resist the pushes and pulls of Jezebel's spirit and put on the armor of God.

“Queen Jezebel was an incredibly evil, demonically controlled woman,” Brown says. “She may have lived [3,000 years] ago, but those same demonic forces that operated through her—through the spirit of Jezebel—are operating in America again today. The spirit of Jezebel is here. But we’re not fighting a person. We’re fighting demonic forces, and in Jesus, we have overcome. Therefore, we are not to be intimidated by Jezebel’s fear tactics. God says to us, ‘Fear not.’ We are in Him, He is in us, in Him we overcome, and we give no place to Jezebel. We realize that temptation and other persuasions that will come our way are not natural—they’re spiritual, and they’re out to destroy us. To counter them, we put on the armor of God, we get filled with the joy of the Lord, and we say no to Jezebel.

“Because Jezebel’s spirit is alive and well, that means if we are to see America turn around, it’s not just a political battle,” Brown adds. “It’s not just a social battle. It’s not just a culture battle. It’s ultimately a spiritual battle. That means on a national level, Jezebel will be defeated through our repentance and the purifying of our hearts. That means that on the national level, the prophets, prophetic voices, pastors and leaders must speak and regain their authority. That means that the emasculated men must stand up and lead and protect and guide and nurture as they were called to do.” {eoa}
