

Jim Garlow: Satan Is Using Homosexuality to Destroy God's Image Here on Earth

Pastor Jim Garlow has called out the demonic agenda fueling the homosexuality debate.

Male and female were made in the image of God, the Skyline Church pastor says, and when male and female are not together, the image of God is being destroyed.

"That's the book of Genesis. The Bible starts with the marriage of a male and a female, and it ends with the wedding in Revelation of a bride and a groom," Garlow said at the Sixth Annual Family Leadership Summit this month.

"The bottom line is this, "If I were Satan, I would want to destroy on the earth the image of God. This is why marriage is such a hotbed issue. It's more than just the issue of homosexuality. It's much more than that. It's much more cosmic. It's big, it's enormous," Garlow said.

"They want to destroy the very image of God upon the planet," he said. "This is a demonic happening in our midst."
