

Joanna Gaines Responds to Hubby's Valentine's Day Surprise: 'That's Big Love'

Joanna Gaines' fans gushed on Instagram over her husband's adorable Valentine's Day message in the sky.

Chip Gaines surprised his wife on Thursday by writing "Chip heart's Jo" on one of Magnolia Market's massive silos in Waco, Texas.

Joanna captioned her photo of the message on Instagram with a simple comment: "That's big love @chipgaines."

Thousands of commenters showed their support for the Gaines' relationship with messages like "Wow this is as sweet as it could ever get," "Love this so much #goals" or "That Chip, what a guy."

Others, though, couldn't help but lament over Chip's less-than-perfect grammar. One commenter wrote: "The apostrophe! Why is there an apostrophe? #smh ;-)"
