

John Hagee Gives 3 Biblical Reasons We Won't Be Around for the Antichrist

Pastor John Hagee says the rapture has a biblical precedent, as described in Revelation 4-6.

The bride of Christ is described in Revelation 4, Hagee says. The Antichrist, however, doesn't come riding in until chapter 6.

"I don't want to overload you, but 4 comes before 6," Hagee tells a gathered crowd. "We're gone, and then the impostor, the Antichrist, rides out on the stage of history."

Watch the video to see his other two reasons.
