

John Shorey: The Lord Could Return in the Next Couple of Years

The coming of the Lord could be right around the corner, eschatology expert John Shorey says.

“When we see the antichrist signing the peace treaty and people being forced to take the mark, is that the period of the coming of the Lord?” Shorey asks Jim Bakker. “If that is the case, I believe we could see those kind of things in the next couple of years.”

Even in recent weeks, Visa offered rewards for restaurants to go cashless, and a Wisconsin company implanted employees with microchips so they could purchase snacks from the vending machine.

Is this it?
