

Jonathan Cahn, Bestselling Author of 'The Harbinger II: The Return,' Predicted 'Dark Events' for 2020 Before This Year of Upset Ever Began

Few people ever imagined the calamities we would face this year. Few foresaw a contagious virus that would keep Americans at home and close businesses and houses of worship; deaths that would provoke violent protests in our cities and the destruction of historic landmarks; the passing of a Supreme Court justice amidst the hostilities of a bitter election season and wildfires that would consume thousands of acres of land.

But looking back at ancient biblical prophecies, Jonathan Cahn sees the prediction of these tumultuous events in America. He reveals their mysteries in his latest *New York Times* bestseller, *The Harbinger II: The Return*.

The book is a follow-up to Cahn's first stunner, *The Harbinger*, which launched him to worldwide prominence. An excerpt from the brand-new bestseller shows just why sales of Cahn's latest book have surpassed sales of all of his previous books and earned *The Harbinger II* the double ranking distinction on both *The New York Times* and *The Wall Street Journal* bestseller lists. Cahn calls 2020 a year of "shaking."

"Seven years after 9/11 came the shaking of the American and world economy," Cahn writes in his new book. "But there isn't to be only one shaking. There will come others, other calamities, greater than the first. When we first spoke of these things, you asked me what form the shakings and

calamities would take,” he says in his compelling narrative.

Now that the “shakings” are here—right in front of our own eyes—the question many Americans are asking is: “How much time is left for us?” Not surprisingly, *The Harbinger II* provides prophetic answers.

“It was 19 years [in ancient Israel] after Babylon’s first invasion of the land that the judgment fell ... 19 years after the initial invasion of the land that destruction came. Nineteen years ... the time span of judgment,” Cahn writes in *The Harbinger II: The Return*.

“Nineteen years from 9/11, from 2001, the first shaking, comes out to 2020, the year of shaking, the year that the plague came to America, the year of the coronavirus ... the year of disorder, of collapse, the year of greater shakings,” Cahn continues ominously.

Since its electrifying release on Sept. 1, 2020, *The Harbinger II* has dominated major bestsellers lists and brought Cahn scores of new fans. His book is available for purchase online and everywhere.

Cahn shares a key insight into his latest narrative that occurred well before its release: “I spoke to Beth Israel, the congregation I lead in Wayne, New Jersey, and told them of 2020 being a year of shakings, dark events and the Lord’s roaring—and that we were to prepare and pray for revival as never before, as it would be the only hope.”

The extraordinary numbers connected to this new book tell their own amazing story. *The Harbinger II* made the Amazon Bestsellers Top 10 lists of all books in the world and garnered three of the top 10 spots on Amazon’s Christian Books for print, Kindle and audio—each charting as a Top 10 Bestseller, including No. 1 Christian Prophecy and No. 1 Christian Prophecies. It also put other Cahn books back onto bestsellers lists, including *The Oracle*, *The Paradigm* and *The*

Harbinger. Half of the top 10 Christian prophecies were Cahn's books.

The author has appeared in numerous media outlets, including on such shows as CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson. Cahn will continue radio and TV interviews throughout the fall
