

Jonathan Cahn Explains Why Christians Should Care About Hanukkah

The original Hanukkah made way for our salvation, Rabbi Jonathan Cahn tells televangelist Jim Bakker.

In a recent segment for *The Jim Bakker Show*, the best-selling author broke down the significance of the Jewish holiday and its application for modern-day believers, as well as how it's a harbinger of things to come.

The visions foretold in the book of Revelation happened at Hanukkah, Cahn says.

"Hanukkah really gives a blueprint for how to live, for how to live in the last days," Cahn says.
