

Jonathan Cahn Exposes the Secrets Behind Today's Events With His New Book 'The Paradigm'

New York Times best-selling author Jonathan Cahn, has a message for the masses that will both anger and shock the world. His new book *The Paradigm* draws on an ancient blueprint that exposes the secrets behind today's events and those in the future. It foretells the rise and fall of modern leaders and governments while also unveiling how events from 3,000 years ago are determining the course of our world and, with it, the course of our lives. This template of the ancient Middle East even provides the parameters of time that modern world leaders are to remain in power.

The Paradigm warns readers of what's to come with detailed disclosures and precise revelations, divulging not only the year when an event is to take place but sometimes even the exact date. Covering terrorist attacks, presidential elections, and government scandals, *The Paradigm* is without question the most explosive book ever written by Cahn.

"*The Paradigm* removes the veil behind the events, the leaders, the elections, the crises, the news stories—the world of the last quarter century," Cahn says. "What will be revealed in *The Paradigm* is so shocking that it even speaks of events before they happen. *The Paradigm* names names and gives specific details, revealing a stunning secret behind the actions of the governments of recent years—involving the highest realms of American government and the events that have touched the lives of every American—and most of the world."

With that said, have we all been part of this paradigm's

replaying?

Cahn addresses the acceleration and deepening of America that we are witnessing every day, citing cultural shifts on topics such as sexuality and identity. He reveals how gender confusion is as distinctive of the modern apostasy as it was of the ancient apostasy and explains how our society and the ancient kingdom both stand on dangerous ground beneath the shadow of God's judgement. He identifies contemporary politicians who share alarmingly similar attributes with biblical leaders who stood at the forefront of culture wars—wars that are much like the ones we experience today.

Each of these parallels holds a mystery that has determined our world as we know it and will forecast our future with shocking accuracy, proving just how intricate God's plans are. Cahn exposes Western civilization's metamorphosis of values, morality, culture, society and nations, and how it has impacted and is still impacting the entire world.

"No matter what happens in the world, in our lives or in these days—we must believe, live and act in accordance with this one fact: God is still on the throne. And everything is in His hands," Cahn says. "We must be aware of the times. We must be strong and bold. We must remember Who is on the throne. And in light of that ... *we must live like it.*"

Cahn, who caused a stir throughout America and the globe with the release of his instant *New York Times* best-seller *The Harbinger*, which sold over 2 million copies, followed that earth-shattering work with *The Mystery of the Shemitah* and *The Book of Mysteries*, also *New York Times* bestsellers. In fact, the mysteries of the immensely popular *The Harbinger* continue and are intertwined with the mysteries of *The Paradigm*.

The Paradigm will be released on Sept. 19, 2017, and is published by Frontline, an imprint of Charisma House.
