

Jonathan Cahn Reveals Centuries-Old Mysteries That Directly Tie to Current Events

New York Times' best-selling author Jonathan Cahn is releasing his newest book, *The Oracle: The Jubilean Mysteries Unveiled*, on Sept. 3, and his much-anticipated work reveals centuries-old mysteries that directly tie to today's events.

"What if I told you of a mystery that began thousands of years ago and yet operates in the modern world, guiding, synchronizing, conforming all human events, directing the actions of leaders, the courses of nations and of world history itself—to bring about its appointed purposes," Cahn said. "It may seem hard to believe—but it's real. The mystery begins on a mountaintop in a desert thousands of years ago and is determining events of our modern world. How could something from ancient times be determining what's happening now? That is the mystery."

These queries are revealed in Cahn's much-anticipated book in a unique format that outlines a conversation between two travelers who are searching for answers from *The Oracle*.

"These mysteries have determined the course of empires and superpowers, kings and presidents," Cahn writes. "Ancient mysteries have determined the events of our world so precisely that they not only tell us what must take place—but when. It doesn't seem possible, and yet it is. Furthermore, these mysteries contain ancient words and messages appointed to be spoken at specific times, even on the specific days on which the events of which they speak are to take place. These mysteries are the fingerprints of God—the signs, markers and

witnesses in time and space of the purpose behind everything.

“And none of it is an accident.

“History, life, existence—the mystery shows there is a reason, a purpose and a plan,” Cahn continued. “The mystery reveals the threads of the master loom.”

In *The Oracle*, Cahn, author of the *New York Times* best-sellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries* and *The Paradigm*, opens up the Jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy and much more. Ultimately, *The Oracle* will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age, while seeking answers to these questions:

- Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over 3,000 years ago be determining the events of our day?
- Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States?
- Could this ancient revelation pinpoint the events of our times down to the year, month and day of their occurring?
- Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times?
- Could these manifestations have altered—and now be altering—the course of world events?

Cahn takes his readers on a journey to find the man called “the Oracle.” One by one each of the Jubilean mysteries will be revealed through the giving of a vision. Readers will also discover the ancient scrolls that contain the appointed words that have determined the course of world history from the

onset of modern times up to our day. Ultimately, *The Oracle* will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age.

As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

And as with Cahn's other works, readers will find that the mysteries revealed within the pages of *The Oracle* are absolutely real, amazing, life-changing and mind-blowing, as they build upon Cahn's vast knowledge of prophecy.

Cahn caused a worldwide stir with the release of his explosive first book, *The Harbinger*, which became an instant *New York Times*' best-seller and brought him to national and international prominence. His next three books were also *New York Times*' best-sellers: *The Mystery of the Shemitah*, *The Book of Mysteries* and his highest-debuting book, *The Paradigm*. Long before writing these books, he was known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the needy. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, people of all backgrounds, just outside New York City, in Wayne, New Jersey. Called the prophetic voice of this generation, Cahn is a much-sought-after speaker and has been highlighted in *The New York Times* as well as in many national and international media. He has spoken at the United Nations, on Capitol Hill and to millions of people around the world.
