

Jonathan Cahn Reveals Stunning Mysteries that Show 'Fingerprints of God'

New York Times' bestselling author Jonathan Cahn released his new book [*The Oracle: The Jubilean Mysteries Unveiled*](#) this fall, and readers worldwide were amazed at his much-anticipated work that reveals centuries-old mysteries tying directly to today's events.

"What if I told you of a mystery that began thousands of years ago and yet operates in the modern world, guiding, synchronizing, conforming all human events, directing the actions of leaders, the courses of nations and of world history itself—to bring about its appointed purposes," Cahn said. "It may seem hard to believe—but it's real. The mystery begins on a mountaintop in a desert thousands of years ago and is determining events of our modern world. How could something from ancient times be determining what's happening now? That is the mystery."

These queries are revealed in Cahn's book in a unique format that outlines a conversation between two travelers who are searching for answers from "the Oracle."

"These mysteries have determined the course of empires and superpowers, kings and presidents," Cahn writes. "Ancient mysteries have determined the events of our world so precisely that they not only tell us what must take place—but when. It doesn't seem possible, and yet it is. Furthermore, these mysteries contain ancient words and messages appointed to be spoken at specific times, even on the specific days on which the events of which they speak are to take place. These mysteries are the fingerprints of God—the signs, markers and witnesses in time and space of the purpose behind everything.

“And none of it is an accident,” Cahn continued. “History, life, existence—the mystery shows there is a reason, a purpose and a plan. The mystery reveals the threads of the master loom.”

In *The Oracle*, Cahn, also the author of the *New York Times*’ bestsellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries* and *The Paradigm*, opens up the Jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-times prophecy and much more. Ultimately, *The Oracle* reveals the secret that lies behind end-times prophecy and the mystery of the end of the age, while seeking answers to these questions:

–Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over 3,000 years ago be determining the events of our day?

–Could some of the most famous people of modern history and current events be secretly linked to this mystery—even a modern president of the United States?

–Could this ancient revelation pinpoint the events of our times down to the year, month and day of their occurring?

–Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times?

–Could these manifestations have altered—and now be altering—the course of world events?

Cahn takes his readers on a journey to find the man called “the Oracle.” One by one each of the Jubilean mysteries will be revealed through the giving of a vision. Readers will also discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day.

As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

And as with Cahn's other works, readers will find that the mysteries revealed within the pages of *The Oracle* are absolutely real, amazing, life-changing and mind-blowing, as they build upon Cahn's vast knowledge of prophecy. {eoa}
