

Jonathan Cahn's Bestseller 'The Harbinger II: The Return' Reveals Why 2020 Is Prophesied Year of 'America's Shaking'

Few could have predicted the turmoil 2020 would rain down on America: a pandemic that would confine citizens to their homes and shutter businesses and houses of worship, killings that would ignite nightly protests and the desecration of historic landmarks, the death of a Supreme Court justice and hostilities of a contentious election, and wildfires that would torch thousands of acres. But Jonathan Cahn—by consulting ancient prophecies—foresaw these shakings of America and has unlocked their mysteries in his latest *New York Times* bestseller, *The Harbinger II: The Return*.

An excerpt from the No. 1 bestseller *The Harbinger II* reveals why sales of Cahn's groundbreaking new book have surpassed all of his previous books sales—and earned *The Harbinger II* double honor on *New York Times* and *Wall Street Journal* bestseller lists. Cahn calls 2020 a “year of shaking.”

“Seven years after 9/11 came the shaking of the American and world economy,” Cahn writes. “But there isn't to be only one shaking. There will come others, other calamities, greater than the first. When we first spoke of these things, you asked me what form the shakings and calamities would take.”

Now that the shakings are here, the question many Americans—tired of what 2020 has dealt them—are asking, “How much time is left?” And *The Harbinger II* provides prophetic answers.

"[In ancient Israel,] it was 19 years after Babylon's first invasion of the land that the judgment fell ... 19 years after the initial invasion of the land that destruction came. Nineteen years ... the time span of judgment," Cahn writes.

"Nineteen years from 9/11, from 2001, the first shaking, comes out to 2020, the year of shaking, the year that the plague came to America, the year of the coronavirus ... the year of disorder, of collapse, the year of greater shakings," Cahn continues.

The Harbinger II has dominated rankings since the release on Sept. 1, 2020, and Cahn's electrifying writing in his newest hit is available for purchase and online everywhere.

The extraordinary numbers show that Cahn's existing fans and an abundance of new fans are racing to buy their copies of Cahn's latest chartbuster. *The Harbinger II* has all the markings of another runaway bestseller.

It made the Amazon Best Seller's Top 10 lists of all books in the world on Amazon and garnered three of the top 10 spots on Amazon Christian Books for print, Kindle and audio – each charting as a Top 10 Best Seller including No. 1 Christian Prophecy, No. 1 Christian Literature and Fiction. It also propelled other Cahn books back onto the bestseller lists, including *The Oracle*, *The Paradigm* and *The Harbinger*. Half of the top 10 Christian prophecies were Jonathan Cahn books.

Cahn had a flurry of media appearances on shows such as CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson. Cahn will continue radio and TV interviews throughout the fall season.

In *The Harbinger II* Cahn reveals that the mystery that began with 9/11 and revealed in his first book, *The Harbinger*, has not stopped but has continued unfolding on America soil. The ancient harbingers that warn of coming judgment have continued to manifest.

Cahn further uncovers how the same mystery lies behind the events that are now shaking America—the plague of COVID-19, the economic collapse, the civil disorder, the riots and much more. He even reveals how what was foretold in *The Harbinger* is now coming true—and how an exact ancient template even determined the timing of the virus and the nation's shaking. *The Harbinger II* reveals not only what has been and what is now taking place in our midst—but also the future—what is to yet to come and how to be ready for it. And in the latter part of the book, Cahn reveals the one answer and hope to America's crisis.
