

Jonathan Cahn's Breathtaking New Book, 'The Return of the Gods,' Hits Top of the Charts

Critics and fans alike are praising New York Times bestselling author Jonathan Cahn's latest book, "The Return of the Gods," for the groundbreaking revelations revolving around stunning ancient mysteries. Since the book's release on Sept. 6, 2022, "The Return of the Gods" is already No. 2 on the New York Times Best Sellers List—Cahn's highest ranking ever—with more and more fans clamoring to get their hands on the book.

Additionally, Cahn ranked No. 2 in the Hardcover Frontlist Nonfiction category on the "Publishers Weekly" bestseller list, as well as No. 2 in hardcover nonfiction, No. 3 in nonfiction e-books and No. 2 in nonfiction combined on the "Wall Street Journal" bestsellers list.

While Cahn is known for revealing the stunning mysteries, many from ancient times that lie behind the events of modern times, "The Return of the Gods" takes the revelations to an entirely new level and dimension, and explains why laws are encroaching upon Christianity, its worship, churches and ministries in America today—and in the days to come.

In the book, Cahn explains that the gods had once been silenced by the Word of God. So now they seek to silence the Word of God and the Christians who upheld it. They are currently working to drive the Word out of Western culture just as the Word had once driven them out.

"The gods of old now dwell among us," Cahn writes. "They inhabit our institutions, walk the halls of our governments, cast votes in our legislatures, guide our corporations, gaze out from our skyscrapers, perform on our stages, and teach in our universities. They saturate our media, direct our news

cycles, inspire our entertainments, and give voices to our songs. They incite new movements and ideologies and convert others to their ends. They instruct our children and initiate them into their ways. They incite the multitudes. They drive otherwise rational people into irrationality and some into frenzies, just as they had done in ancient times. They demand our worship, our veneration, our submission, and our sacrifices."

In the book, Cahn addresses the answers to questions such as:

Is it possible that behind what is taking place in America and the world lies a mystery that goes back to the gods of the ancient world ... and that they now have returned?

Who are the ancient gods? What are they? And is it possible that these beings, whose origins are from ancient times, are the unseen catalysts of modern culture?

Is it possible that these gods lie behind the most pivotal events, forces and movements taking place in our nation and around the world at this very moment? Are the gods at this very moment transforming our culture, our children, our lives and America itself?

What is the Dark Trinity? Is it possible that what we in the modern world take as nothing more than ancient mythology could actually possess a reality beyond our fathoming?

One reader commented, "This book is EYE OPENING. I know there are dark principalities at work guiding the decisions of our leaders (and mankind in general), but Jonathan Cahn makes it precisely clear and truly tangible when comparing ancient history with what we see unfolding before our very eyes today. We are living in a time where history is repeating itself, in a very negative way, and we must awaken and take measures to protect ourselves and loved ones from unknowingly bowing down to the gods that are behind all the madness we see in the world today! Great book, I highly recommend!!"

“The Return of the Gods” promises to take readers on a fascinating, unforgettable and mind-blowing journey that will leave them stunned and with the ability to see the world as they never have before.

With the release of “The Harbinger II: The Return” in September 2020, multitudes of new fans have embraced Jonathan Cahn’s compelling messages and prophecies, in addition to the millions that are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN’s “700 Club,” TBN’s “Praise” and “Family Talk” with Dr. James Dobson.

Cahn’s first book, “The Harbinger,” became an instant New York Times bestseller when it was published in 2012. His next four books were also New York Times bestsellers: “The Mystery of the Shemitah,” “The Book of Mysteries,” “The Paradigm” and “The Oracle.” Along with Billy Graham, Cahn was named one of the top 40 spiritual leaders of the past 40 years who has radically impacted the world.

Called the prophetic voice of this generation, Cahn has spoken on Capitol Hill, at the United Nations and to millions around the world. Cahn is known for opening the deep mysteries of Scripture and bringing forth messages of prophetic import. He leads Hope of the World ministry, an international outreach of teaching, evangelism and compassion projects for the world’s neediest. He also leads the Jerusalem Center/Beth Israel, a worship center made up of Jews and Gentiles, and people of all backgrounds, outside New York City in Wayne, New Jersey.
