

Jonathan Cahn's Ground-Breaking Book 'The Oracle' Unlocks Mysteries of Past, Present, Future

In a time of political, cultural and global uncertainty, many people would give almost anything for a glimpse into the future or knowledge about the secrets the past held.

The 2019 smash hit "The Oracle: The Jubilean Mysteries Unveiled," by New York Times best-selling author Jonathan Cahn, helps readers know what the future holds and what the past is hiding, as well as opens their eyes to groundbreaking mysteries that will impact not only how they understand the past, but also how they can be ready for the future.

In "The Oracle," Cahn, author of the New York Times best-sellers "The Harbinger," "The Mystery of the Shemitah," "The Book of Mysteries" and "The Paradigm," opens up the Jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-time prophecy and much more. Ultimately, "The Oracle" will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age.

"'The Oracle' opens up the Jubilean mysteries, that there are times appointed by God, and in these years something prophetic will happen," Cahn says. "Amazing. Who could put that together? Everything is part of the Jubilean mystery of God. He is on the throne."

As with "The Harbinger" and "The Book of Mysteries," Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind

each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

And as with Cahn's other works, readers will find that the mysteries revealed within the pages of "The Oracle" are absolutely real, amazing, life-changing and mind-blowing, as they build upon Cahn's vast knowledge of prophecy.

Jonathan Cahn caused a worldwide stir with the release of his explosive first book, "The Harbinger," which became an instant *New York Times* best-seller and brought him to national and international prominence.
