

Jonathan Cahn's New Blockbuster Film Surpasses Million-Dollar Benchmark

In theaters across America for two nights only on May 12 and May 19, 2022, *New York Times* bestselling author Jonathan Cahn—author of *The Harbinger*, *The Harbinger II: The Return*, *The Oracle*, *The Book of Mysteries* and other critically acclaimed books—partnered with Fathom Events to bring *The Harbingers of Things to Come* to movie theaters nationwide. This riveting feature film based on Jonathan Cahn's bestselling and brilliant successes with *The Harbinger* series reveals the ancient mysteries that lie behind what is happening in America and the world today—and in the future.

"We are witnessing America rapidly accelerating away from God," Cahn says. "The messages of the harbingers are prophetic revelations and warnings for God's people to know what's happening, where we are going and where we are."

"The success of *The Harbingers of Things to Come* further drives home the concept that faith-based audiences want to come together to experience these films," said Ray Nutt, CEO of Fathom Events. "The wide Fathom network of theaters gives people the opportunity to gather as a community, wherever they are, to view content that is meaningful to them."

The film, *The Harbingers of Things to Come*, is also available for hosting at churches, communities, groups and organizations nationwide, through ticketed events through June 13, 2022, at

The movie addresses riveting themes such as, could COVID-19, 9/11, the financial collapse and other shakings all be part of an ancient mystery? Are the shakings that have come upon the world a sign or a warning of things to come? Is that ancient mystery determining the events of our time, and does it reveal the secrets of the future?

From the shores of New England to the steps of the Supreme Court; to a boat on the Hudson River; to the pedestal of the Statue of Liberty, Cahn explores the ancient mystery behind the event shaking America and the world. One thing is certain: Audiences will never see the world the same way again.
