For the second week in a row, bestselling author Jonathan Cahn has continued his unprecedented dominance of best seller lists around the world with his new book *The Harbinger II: The Return*.

Back in 2012, his first book, *The Harbinger*, became a *New York Times* bestseller in its first week. But since its release on Sept. 1, 2020, this long-awaited blockbuster sequel *The Harbinger II: The Return* has caused groundbreaking book sales that have surpassed all of Cahn's previous books.

In its first week *The Harbinger II* achieved a *double-ranking* on *The New York Times* bestseller list: it was No. 4 on *The New York Times* Combined Print and E-Book list and No. 5 on *The New York Times* Hardcover Fiction list. Now, in its second week of release, *The Harbinger II* continues to soar:

- No. 1: Parable National 50 Top Selling.

"Blown Away"

"We continue to be blown away at the sheer success of Jonathan Cahn's newest book, *The Harbinger II: The Return*," said Marcos Perez, publisher and executive vice president of Charisma House, "and at the impact it's having on his previous chart toppers all these years later."

He points out that three of Cahn's previous books ranked in the Top 10 this week on *Publisher's Weekly* Religion Fiction:

–No. 3: *The Oracle*

–No. 4: *The Harbinger*

–No. 10: *The Book of Mysteries*

"It continues to be a blessing to celebrate these monumental achievements with Jonathan," says Perez. "He's one of the top authors in America and around the world. We look forward to the future impact *The Harbinger II* will continue to make around the globe as people try to make sense of what is happening in our nation."

Even before its Sept. 1 release, *The Harbinger II* solidified itself as a bestseller in several Amazon categories and climbed all the way to No. 1 in Christian Prophecies, Religion and Spirituality, Books and Bibles, Christian Literature and Fiction, Christian Mystery and Suspense, and Spirituality. It was ranked No. 1, 2 and 3 in Biblical Fiction, and No. 1, 2

and 3 in New Releases in Christian Books and Bibles. These rankings came weeks *before* the book's debut and are still holding.

This tremendous success during the pre-launch and launch weeks of *The Harbinger II* has propelled some of Cahn's other books back onto the bestseller lists including *The Oracle* (2019), *The Paradigm* (2017) and *The Harbinger* (2012). On Amazon, *The Harbinger II* release propelled *The Harbinger* back to No. 1 in Religious Mysteries.

As an indicator of Cahn's enormous popularity, half of the top 10 books in Christian Prophecies were his. Not only that, but eight of the top 40 of *all* were books written by Cahn.

Even before *The Harbinger II* was released, Cahn was in demand for television appearances, and has appeared on shows such as CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson. He plans to continue radio and TV interviews throughout the fall season.

Where Is It All Heading?

In *The Harbinger II* Cahn reveals that the mystery which began with 9/11 has not stopped, but has continued unfolding on America soil. The ancient harbingers that warn of coming judgment have continued to manifest.

In this electrifying sequel, Cahn further uncovers how the same mystery lies behind the events that are now shaking America—the plague of COVID-19, the economic collapse, the civil disorder, the riots and much more. What was foretold in *The Harbinger* is now coming true—and Cahn shares how an exact ancient template even determined the timing of the virus and the nation's shaking.

Cahn says people have been asking him to write a sequel for years, but he could not write this book before now. "This book could not be revealed until the right time," he says. "I've

been holding back from sharing for eight years. It was only in 2019, several months before 2020 began, that the Lord gave me the go-ahead to write it.

“The book opens up a prophetic revelation of America’s future. It contains things have been waiting for years, mysteries that have never before been revealed ... from the beginning, to what has happened since and up to this day,” he says. “It tells what is behind the mystery, where we are heading and how to get ready. It opens up the revelations of God, the voice of God, the plan of God, where we are and what we need to do. It’s truly for such a time as this.” {eo}
