

Jonathan Cahn's Next 'Mind-Blowing' Prophetic Revelation Coming in Explosive New Motion Picture

After years of expectant waiting, the next revelation is finally here. Since the release of *The Harbinger II: The Return* in 2020, author Jonathan Cahn has been holding back the keys to a web of mysteries soon to be unlocked in his riveting feature motion picture, *The Harbingers of Things to Come*. This film, based on Cahn's bestselling and brilliant successes with The Harbinger book series, reveals the ancient mysteries that lie behind what is happening in America and the world today – and in the future.

Insiders are calling the film “stunning,” “prophetic,” “mind-blowing” and “astonishing.” Building on and retracing the enigmas of the first two books in The Harbinger series, *The Harbingers of Things to Come* continues the revelations where *The Harbinger II: The Return* left off.

In theaters across America on Thursday, May 12, 2022, Cahn will take audiences on an epic journey from the shores of New England to the steps of the Supreme Court, from a boat on the Hudson River to the pedestal of the Statue of Liberty, to explore the ancient mystery behind the event shaking America and the world.
