

Jonathan Cahn's 'The Oracle' Becomes No. 1 Bestseller, Ranks Top of All Charts

New York Times' bestselling author Jonathan Cahn's prophetic, epic new book *The Oracle: The Jubilean Mysteries Unveiled* is a No. 1 bestseller on several national and international book lists.

The Oracle, which promises to reveal the "mystery of the ages"—and of Donald Trump, the White House and more—is No. 1 in the Hardcover Fiction category on Publishers Weekly.

The Oracle was also No. 1 in all fiction books as well as No. 2 of all books in the first 48 hours after release on Amazon.

In his new, highly anticipated book, Cahn opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires—even America—to the current events of our day, to future events, to the key of end-times prophecy and much more.

Additionally, Cahn's newest, groundbreaking book is ranked on the following lists:

“We are so honored to be working with one of the top authors in America,” said Marcos Perez, publisher and executive vice president of Charisma House. “It is a blessing to enjoy this achievement with Jonathan on another of his amazing works. The content in *The Oracle* is fascinating and truly mind-blowing. We look forward to the future impact this book will continue to make around the globe.”

Major newspapers around the country also listed *The Oracle* as a top seller and smash hit, including the *New York Daily News*, *Chicago Sun-Times*, *Chicago Tribune*, *The Seattle Times* and many others from Arizona to Florida.

Even before its Sept. 3 release, *The Oracle* also solidified itself as a bestseller in several Amazon categories and climbed all the way to No. 1 in Christian Prophecies, Christian Literature & Fiction, Religion, Biblical Studies and other categories. These rankings came weeks before the book’s debut and are still holding.

Cahn had a flurry of media appearances on shows such as CBN’s *700 Club*, TBN’s *Praise* and Dr. James Dobson’s *FamilyTalk*. Cahn will continue radio and TV interviews throughout the fall season.

Though what’s revealed in *The Oracle* is real, as with Cahn’s other bestsellers, *The Harbinger* and *The Book of Mysteries*, everything is explained through a narrative, as Cahn takes readers on a journey to find the man called “the Oracle.” One by one, each of the Jubilean mysteries is revealed through the giving of a vision to a traveler. *The Oracle* uncovers the mysteries of “The Stranger,” “The Lost City,” “The Land of Seven Wells,” “The Birds,” “The Number of the End,” “The Man in the Black Robe,” “The Prophet’s Song,” “The Man with the Measuring Line,” “The Matrix of Years,” “The Day of the

Lions,” “The Awakening of the Dragon” and many more.

The Oracle reveals the secrets that drive world events and that lie behind the past, current events—even the White House—and the future. Throughout *The Oracle*, the reader is taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and events that are yet to come.
