

Jonathan Cahn: What You Need to Know About the Shemitah and the Global Economy

Using the findings and data produced by Wall Street and global financial analysts as well as world headlines, Jonathan Cahn shows the very dramatic changes that took place in the biblical year of the Shemitah and its colossal repercussions on the world economy.

Cahn tells Jim Bakker, “I’m going to share in some detail that which I’ve never shared in any kind of format like this.”
