

# July 2013: The Worship Issue

July's special worship-themed issue features 13 of the most well-known worship leaders offering their insight on 13 different aspects of worship, including:

- Darlene Zschech on how the Holy Spirit uses our praise to elevate us above life's storms
- Misty Edwards on why singing simple prayers can change history
- Israel Houghton on the power of being excellent before God
- Kari Jobe on the greatest words Jesus longs to hear
- Brazilian worship leader Ana Paula on how prophetic songs are shaping her nation
- Former Delirious? frontman Martin Smith on what global revival sounds like
