

Just Released: Jonathan Cahn's 'The Avatar' Exposes Mysteries of Ancient Gods and US Leaders

New York Times best-selling author Jonathan Cahn has released what he calls his most explosive book yet, *The Avatar: The Return of the Ancients and the Future of America*.

"Today, September 2nd, is the day that 'The Avatar' is released," Cahn announced in a special book release video. "It's got to be the most explosive book I've ever written. And I only recently saw a copy of it. This is the first time I'm actually holding a real copy."

According to Cahn, "The Avatar" uncovers mysteries that link ancient mythology to modern America, its leaders and its future. "'The Avatar' contains revelations so stunning or shocking that they can't even be revealed outside its pages," he said.

The book explores questions such as: Who are the avatars? What do they have to do with America and your life? Could they lie behind the outcome of every recent American presidential election?
