

# Justin Bieber Praises Jesus as New Album 'Changes' Releases

Hours before his first album release in five years, Justin Bieber praised Jesus for His faithfulness.

The 25-year-old posted hourly Instagram updates in the build-up to the 17-track *Changes* being sent out into the world. One picture in particular, however, stood out from the barrage of promo material: an illustration that simply read "Thank you Jesus."

"Thank you Jesus for your forgiveness!" he wrote. "Thank you Jesus that when I was lost you found me, thank you that you brought [me] from death to life! Thank you that once I was blind but now I see! Thank you for giving your life up on the cross so that I could have ETERNAL LIFE! TRUE LIFE on earth and life ABUNDANTLY!"
