

Justin Bieber's Mom Praying God Encounters Her Son

Happy birthday, Justin Bieber!

In the years leading up to his 22 birthday, the pop sensation was so out of control he "could have died," but God stepped in.

Now, his mother is praying for her son to live in the presence of God.

"22 years ago I was 18yrs old, pregnant & scared. But God. Lord encounter @justinbieber for his bday! Give him all I couldn't in Jesus name," Pattie Mallette tweeted.
