

Kathie Lee Gifford Praises 'Our Living and Loving God' for Early Christmas Blessing

Kathie Lee Gifford will soon be a grandma! The former TV show host took to Instagram to reveal that her son, Cody Gifford, and his wife, Erika Brown, are expecting a baby.

The Movieguide® Visionary Award Winner shared a video of the couple dancing at their wedding. The clip then cuts to a positive pregnancy test and ends with an announcement that the baby is due in June of next year.

The scripture James 1:17 is also displayed in the announcement: "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows."

"I am over a blue or pink moon!!!" Gifford captioned her post. "I don't care which. So so happy for you both, @mrsamerikagifford, and for our family. Praise our Living and Loving God!"

Brown also posted about the exciting news, saying, "Gifford... Party of 3. So sooo grateful to God for this greatest blessing. Finding out our baby's gender the old-fashioned way—when our lil 'squish' arrives."

Cody and Brown began dating in 2013, tying the knot in September 2020. They celebrated their first wedding anniversary with a second wedding ceremony.
