

Kenneth Copeland: Harbingers Will Reveal 'Most Glorious Outpouring of the Holy Ghost'

America rapidly parallels the Old Testament destruction of Israel, according to Jonathan Cahn and Kenneth Copeland.

But "the great shaking" could also be a time of great revival.

"And God'll prosper you right all the way through the thing," Copeland tells Cahn. "And we're going to come out of this in the most glorious outpouring of the Holy Ghost in the existence of this planet."

Just because we stand in God doesn't mean we should ignore the destruction on our nation—quite the opposite, in fact—especially as tolerance for Islam tampers down the truth.
