

Kent Christmas Prophecy: "I Have Shifted the Church"

In one of Kent Christmas' latest prophecies, he shared how the Lord is making a shift in the church that will last until the Lord's return.

"Thou art in a Kairos moment," Christmas prophesied. "And I have shifted the church out of chronos time, which is controlled by men, and I have started the clock in I am loosing the Kairos timing."

This transfer of time according to the desires of people to the plans and purpose of God will make a great shaking and impact on what is to come.

"'I have seen my church in this last day,' says the Lord," Christmas said. "'And it's a beautiful church. It's radiant. It's glorious. It glows with My glory. And there are many entrances,' says the Lord, 'to this church.'"

Christmas says that this coming end times church is where God's glory is going to be made manifest in the healings and salvations that take place. This will also be a church that recognizes the spiritual forces behind the things that we see in the physical realm.

"I am tired of the political correctness. What I know to be demons, you have named sickness. 'This day,' saith the Lord, 'I can heal your children of autism, but don't tell me it's not a spirit.'"

Christmas goes even further to say that the Lord is getting

ready to deal with those in the medical field who have practiced gender transitioning procedures, especially on children.

“And I’m going to deal with the abominations. ‘To you doctors,’ says the Lord, ‘Who are cutting the genitals off of My babies, you have treasured wrath from heaven unto yourself,’” Christmas prophesied. “‘And know this,’ saith God: ‘I could take you out in a moment, but I am not. I’m going to make you suffer the same suffering that you have loosed on the innocent, you yourself shall reap. For whatsoever a man soweth, that shall he also reap.’”

Christmas’ prophecies also included a specific discussion about what he believes is about to take place in Congress.

“I’m going to so confuse the so-called experts,” Christmas said. “I’m going to show up in places nobody thought that I could show up. ‘Before I’m done,’ says the Lord, ‘They will allow a Spirit-filled, Holy Ghost, tongue-talking preacher to open Congress.’”

Christmas says this experience will shake up those in the government who did not truly believe in the one, true living God.

“And God says that ‘as My servant begins to pray, that as it was in the days of George Washington, Abraham glory is going to begin to settle in the chambers, that men who truly didn’t believe in Me, are going to begin to say, “I was wrong; what is this?” And my servant will stand up as my servant did on the day of Pentecost, and he will say, “This is that.”’”

If these prophecies prove to be true, then we can expect a great deal of Holy Spirit-filled impact on the church and beyond. {eo}
