

# Khloe Kardashian Fires John 8:7 at Harsh Social Media Critics

Hating on celebrities through social media is basically an American pastime these days. Jimmy Kimmel even has a recurring segment, "Celebrity Mean Tweets," in which stars share the comments people felt inclined to tweet.

But Khloe Kardashian has had enough, and she's using the Bible to fight back.

The *Keeping Up With the Kardashians* star went on a five-tweet tirade, telling followers: "The greatest part about miserable peeps (people) is that they post all of this (expletive) on your page. They attack with words behind their private pages. (1)

"Try to shame you or verbally bully your spirit. So I click on their pages and their bios say 'believer in God' 'Put God first' etc (2)

"but how is judging and spreading hate being a child of God? Being a child of the Lord means spreading love and uplifting one another. (3)

"Why don't you drink your own kool-aid and uplift yourself. Stop spending ur energy hating on others. It's only destroying ur own soul. (4)

"'Let him who is without sin among you be the first to throw a stone' John 8:7," she concluded.
