

L.A. Marzulli: Are Nephilim Hybrids Alive Today?

What are Nephilim hybrids, and are they a reality in our modern world today?

In an exclusive interview with Charisma Media, Nephilim expert L.A. Marzulli discussed the very real possibility of Nephilim hybrids still in our world today.

What exactly is a Nephilim hybrid? It is a being that is part human and part fallen angel. The Bible describes the Nephilim in Genesis 6:4 as:

“The Nephilim were on the earth in those days, and also after that, when the sons of God came in to the daughters of men, and they bore children to them. These were the mighty men who were of old, men of renown.”

Marzulli says that hybrids, because they are only partial humans, are soulless.

“They’re soulless. They’re not human. They’re part human but they’re soulless. Only God can give you a soul and they’re looking for a soul,” Marzulli says.

This is evidenced by the fact that those who claim to have been abducted by “aliens” usually mention the fact that those entities are looking for a soul. What is unique about this take is how the number of supposed sightings of these beings increased during the 1990s.

“People started seeing hybrid entities,” Marzulli says. “They look more alien than they did human.”

Marzulli believes this is part of the fulfillment of prophecy found in Daniel 2:43, which talks about the mingling of the seed of men with something foreign but that they would “not cleave to one another,” or in other words, they would not marry each other, but would have hybrid children. The reality of hybrids, Marzulli points out, is that they also reflect the book of Revelation as well and the “trading in of souls.

“The dragon—Satan—can’t put a soul into the hybrids. This is why they are looking for a soul,” Marzulli says.

No matter how terrifying these hybrids may sound, at the end of the day their darkness is not too dark for the Lord. There’s a reason why John 1:5 tells us that “The light shines in the darkness, but the darkness has not overcome it.” Even with the reality of dark entities, spiritual powers and principalities, the Lord has a plan and a purpose much greater and powerful than any forces of the enemy.
