

Larry Sparks: I Had a Vision of a Megachurch Pastor ...

Prophetic words are amazing, awe-inspiring, motivating and convicting. But after you get one, what do you do?

Larry Sparks has an idea. The publisher of Destiny Image recently joined Dr. Steve Greene on Greene's podcast *Greenelines*.

"I felt a real heavy mandate in the Lord to return to that original assignment of identifying the voice of the prophets, those who had a new word of the Lord that they were carrying, stewarding, releasing," Sparks says.

As he's moved forward, he says the Lord has given him words and a vision for 2019. [Click here to listen now!](#)
