

Larry Tomczak's Week in Review: A Personal Appeal to Amy Grant

Closing out last year, one of the hottest news stories in Christian reporting was Amy Grant hosting a same-sex wedding on her farm. No big deal?

Larry, who also lives in the "Music City" area along with the Christian recording artist, raised the issue in an article submitted to her but she wasn't interested in reading it. What statement is being made through her actions? Does this influence young people who look to her as a role model? Is this another "crossover" move by Amy Grant who is finding new popularity among LGBTQ supporters?

Should Christians committed to remaining faithful to Scripture simply remain silent and shrug it off as more of the progressive, cool "woke" culture? Invest 10 in viewing this brief video to educate yourself, your family and your church from a biblically informed worldview.
