

Larry Tomczak's Week in Review: Biden Pushes Values That Will Wreck America

Rush Limbaugh used to say, "You can't compete with Santa Claus!"

President Biden certainly is trying to do just that as he ignorantly or willingly tries to seduce us into the progressive's push into full-blown cradle to grave socialism.

Are you paying attention?

Laying out grandiose plan after plan to supposedly eliminate poverty by making evil corporations and wealthy Americans "pay their fair share," he's going to add \$6 trillion in new spending as 43% of Americans pay zero taxes and 95% of our tax revenue already comes from the top 20%!

"Biden Hood" laid out the most extreme socialist agenda in U.S. history. Simple economics show the absurdity of what's being put forth as a "grand reset" to take down capitalism and transfer to socialism. Watch this 10-minute video to stay informed and engaged before the day of reckoning. {eoa}
