

Larry Tomczak's Week in Review: Common Sense or Corruption—Which Will America Choose?

Thomas Paine launched the American Revolution in 1776 with his widely circulated pamphlet "Common Sense." He persuaded the masses to action by presenting issues from a biblical worldview.

Radical extremists in government are trying to topple traditional America by seductively appealing to feelings rather than common sense solutions based upon the Word of God. The surge of migrants on the southern border, defunding police departments and manipulating elections by a federal takeover will bring destruction to our nation.

"The common people heard Him [Jesus] gladly" (Mark 12:37b, NKJV) as He presented the truth to counter corruption and deception. Invest 10 minutes to be equipped and then engaged in the battle for the future of our families and our beloved nation.
