

Larry Tomczak's Week in Review: Conservative Activist Reveals Incriminating Evidence

A conservative activist and author has revealed a gut-wrenching discovery damning Democrats!

After a year of controversy and claims dismissed regarding the 2020 election, this blockbuster scoop is irrefutable and unacceptable.

We are called to be watchmen and women on the wall and here is fact-based information you need to know now. This is shameful, and finding it at the feet of Facebook Mark Zuckerberg makes it all the more reprehensible.

Listen and learn to be an informed influencer in these critical times! {eo}
